I. GENERAL AWARD INFORMATION

This Agreement is a sub-award as defined in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards. The information to be identified to the SUBRECIPIENT required by 2 CFR 200.332(b), is attached hereto as **EXHIBIT 1**, Federal Sub-award Information.

II. SCOPE OF SERVICE

A. Eligible Use of Funds

As a condition of receiving this subaward, the SUBRECIPIENT shall administer the Project, which includes performing all of the work described in **EXHIBIT 2**, Scope of Service. The SUBRECIPIENT shall complete the activities in a manner satisfactory to the COUNTY and consistent with the terms of conditions of this Agreement and applicable Federal statutes and regulations.

III. PERFORMANCE, FINANCIAL & MONITORING REPORTING

A. Monitoring

The COUNTY shall monitor the performance of the SUBRECIPIENT as necessary and in accordance with regulations on Subrecipient Monitoring and Management, 2 CFR 200.331 – 2 CFR 200.333, to ensure SUBRECIPIENT compliance with all of the requirements of this Agreement, including the timeframes and performance goals associated with the activities. Substandard performance as determined by the COUNTY will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the SUBRECIPIENT within the timeframe specified in the written notification by the COUNTY, the COUNTY may impose additional conditions on the SUBRECIPIENT and its use of CDBG-DR funds consistent with 2 CFR 200.208, suspend or terminate this Agreement, or initiate other remedies for noncompliance as appropriate and permitted under 2 CFR 200.339.

- i. Oversight will include ongoing generic reviews, and monitoring will include targeted area-focused reviews of administrative, financial, performance, reporting, and compliance with applicable federal crosscutting requirements. The objective of the oversight and monitoring activities is to facilitate the achievement of performance goals while ensuring that subaward funds are used for authorized purposes in compliance with Federal statutes, regulations, and the terms and conditions of the subaward.
 - a. The SUBRECIPIENT shall ensure that all records and files pertaining to the Project, as well as any additional information requested by the COUNTY, is made available at the monitoring visit or at the time specified by the COUNTY. The COUNTY may request a visit to the Project site as part of the monitoring visit.
 - b. The COUNTY will notify SUBRECIPIENTS of monitoring events in advance. In response to Subrecipient monitoring, the COUNTY will provide technical assistance to mitigate identified risks and to address concerns and findings. Monitoring will be conducted based on risk. At a minimum, SUBRECIPIENTS will be monitored at least once annually. The COUNTY will determine the frequency of monitoring with each SUBRECIPIENT and reserves the right to change the frequency at any time at

the COUNTY'S discretion. The COUNTY will use monitoring checklists to ensure consistency and to provide a detailed record.

- ii. Each monitoring will address project-specific issues and may be carried out through a combination of desk review, remote monitoring, and/or on-site monitoring. The primary goals of monitoring are to:
 - a. Review activity eligibility and achievement of HUD national objectives;
 - b. Evaluate conformance to the Subrecipient Agreement;
 - c. Ensure compliance with CDBG-DR program and all other applicable federal, state, and County requirements, including, but not limited to appropriate insurance coverage, assessment management processes, procurement procedures, conflicts of interest disclosures, and fair housing and civil rights compliance;
 - d. Review and ensure accuracy and completeness of record keeping and financial management systems;
 - e. Evaluate organizational, program and project performance, as well as on-going project viability (financial health, management capacity, etc.);
 - f. Design any corrective actions necessary to improve or reinforce performance; and
 - g. Identify the technical assistance needs of CDBG-DR SUBRECIPIENT.
- iii. Upon completion of a monitoring, the County shall provide a monitoring letter to SUBRECIPIENT outlining the results of the monitoring.
 - a. If corrective actions are needed as a result of findings or concerns, a corrective action plan will be included with the letter.
 - b. The SUBRECIPIENT will be provided the opportunity to respond to the monitoring results, and COUNTY staff will work collaboratively with the SUBRECIPIENT to resolve any findings or concerns.

B. Reporting

The SUBRECIPIENT shall submit regular monthly progress and financial reports to the COUNTY in a form provided by the COUNTY. Reports shall be submitted and received by the COUNTY no later than the 5th day following the reporting month.

IV. PERIOD OF PERFORMANCE AND TERM

The period of performance for SUBRECIPIENT, meaning the time during which the SUBRECIPIENT may incur new obligations to carry out activities under this Agreement, shall begin no later than 24 months from the date the COUNTY issues a Notice to Proceed (NTP). From the start of performance, the SUBRECIPIENT shall have no more than 18 months to complete all activities under this Agreement. Must be completed by February 28, 2029. The SUBRECIPIENT shall notify the COUNTY of the construction start date; however, for purposes of this Agreement, the period of performance shall be measured from the date construction actually begins, regardless of when the COUNTY is notified.

As further set forth in **Section IX. S., Environmental Conditions**, SUBRECIPIENT acknowledges and agrees that it shall not commence any work, take any choice-limiting actions, expend any funds, or incur any costs under this Agreement until the completion and approval of an environmental review in accordance with the requirements set forth in 24 CFR § 58.22 ("Environmental Review"). The Parties acknowledge and agree that the commencement of the Project described herein cannot proceed until HUD provides written approval of the Environmental Review.

The Parties agree to cooperate fully and act in good faith to complete the Environmental Review process promptly. In the event that the Environmental Review results in a determination that significant environmental impacts cannot be satisfactorily mitigated or if the Environmental Review does not receive approval from HUD, the COUNTY will terminate this Agreement upon written notice to the SUBRECIPIENT.

This Agreement and its terms and conditions shall remain in effect during any period that the SUBRECIPIENT has control over CDBG-DR funds provided through this Agreement, including program income as defined in 88 FR 32046 Appendix B- CDBG-DR Consolidated Notice Waivers and Alternative Requirements, III.E. Program Income.

V. BUDGET

The SUBRECIPIENT shall be reimbursed for the identified activities in this Agreement in accordance with the Budget Table, **EXHIBIT 3**. Changes in funding between the categories described that do not increase or decrease the total funding of this Agreement may be accomplished without a formal amendment to the Agreement if approved in writing by authorized representatives of the COUNTY and the SUBRECIPIENT. Any request by the SUBRECIPIENT to increase or decrease the total funding of this Agreement must be submitted to the COUNTY in writing and include a detailed justification for the requested increase or decrease. If the COUNTY approves the SUBRECIPIENT's requested change in total funding under this Agreement, the change in total funding must be reflected in an amendment to this Agreement executed by both Parties.

A. Indirect Costs

Indirect costs are not applicable to this Agreement.

B. Program Income

“Program income” is defined as gross income generated from the use of CDBG–DR funds, except as provided in Appendix B- CDBG-DR Consolidated Notice Waivers and Alternative Requirements, III.E.1.b. under 88 FR 32046 and received by SUBRECIPIENT. Program income is not anticipated under this Agreement. However, if program income is generated, the SUBRECIPIENT agrees to use the funds solely for internal operational and maintenance expenses related to the development of the Project. All program income must be applied in compliance with applicable federal, state, and local regulations.

VI. PAYMENT

It is expressly agreed and understood that the total amount to be paid by the COUNTY to the SUBRECIPIENT under this Agreement shall not exceed \$106,000.00. The COUNTY shall retain \$10,000.00 of the aforementioned \$106,000.00 to conduct an Environmental Review as required by 24 CFR Part 58 as further described herein. The COUNTY will pay to the SUBRECIPIENT funds available under this Agreement based upon substantiated information submitted by the SUBRECIPIENT, in accord with performance, and consistent with any approved budget and COUNTY policy concerning payments. All requests for payment must be for eligible expenses actually incurred by the SUBRECIPIENT and are not to exceed actual cash requirements. Payments will be adjusted by the COUNTY in accordance with program income balances available under this Agreement for costs incurred by the COUNTY on behalf of the SUBRECIPIENT. Any costs or expenses incurred by the SUBRECIPIENT that exceed the overall Subaward amount set forth in this Agreement, or which are incurred by the SUBRECIPIENT outside of the Subaward Period of Performance, shall be the sole responsibility of the SUBRECIPIENT.

SUBRECIPIENT must submit reimbursement requests timely to the COUNTY until all CDBG-DR funds awarded under this Agreement have been expended. Reimbursement Requests shall be delivered to the COUNTY on a form approved by the COUNTY and shall clearly indicate the budget categories from which each request is drawing.

The period for submission of Reimbursement Requests shall be monthly with such invoices due to the COUNTY by the 15th of the month subsequent to the provision of services for which the COUNTY is being invoiced. Should the SUBRECIPIENT fail to timely submit its Reimbursement Request for any particular month, it accepts the risk that the COUNTY may not provide reimbursement for any expenses the SUBRECIPIENT incurred during such month.

The monthly invoice from the SUBRECIPIENT must be submitted online through the System of Record.

At minimum, all Reimbursement Requests submitted by the SUBRECIPIENT must include the following items:

- A. Include enough detail so that the COUNTY is able to confirm that the SUBRECIPIENT has only requested reimbursement of funding-eligible expenses that were incurred by the SUBRECIPIENT in compliance with the terms of this Agreement. Details may include, but are not limited to, a description of the good(s) and/or service(s), respective vendor(s), proof of payment by SUBRECIPIENT to vendors and/or personnel, and corresponding general ledger detail, as applicable.
- B. Include a dated cover letter of the SUBRECIPIENT'S organization, with a description defining the period of performance dates during which it has incurred eligible expenses that are now being requested for reimbursement.
- C. Pursuant to 2 CFR § 200.415 (b) ("**Required Certifications**"), include the following federally required attestation executed by an individual that is legally authorized to do so by the SUBRECIPIENT:

"I certify to the best of my knowledge and belief that the information provided herein is true, complete, and accurate. I am aware that the provision of false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil, or administrative consequences including, but not limited to violations of U.S. Code Title 18, Sections 2, 1001, 1343 and Title 31, Sections 3729-3730 and 3801-3812."

- D. By executing this Agreement, the SUBRECIPIENT hereby affirms that it understands that the above are minimum standards for invoices only and are not meant to represent an exhaustive list of what the COUNTY may request or require in order to consider a Reimbursement Request complete or to approve such request for reimbursement. Any additional submission format requirements that the COUNTY may require of the SUBRECIPIENT, to include in COUNTY's system of record for its CDBG-DR funds and programs, shall be communicated in advance to the SUBRECIPIENT.
- E. Notwithstanding the foregoing, as a political subdivision of the State of Florida, the COUNTY's performance, and obligation to pay under this Agreement is contingent upon an appropriation of lawfully available funds by the Sarasota County Board of County Commissioners. The COUNTY shall promptly notify the SUBRECIPIENT if the necessary appropriation is not made or funds are otherwise unavailable.

VII. REPAYMENT/RECAPTURE OF FUNDS

- A. Repayment. The SUBRECIPIENT shall repay the COUNTY all funds awarded for any event that may include, but not be limited to the following:
 - i. SUBRECIPIENT does not comply with the terms of this Agreement;

- ii. Duplication of Benefits (DOB) is determined at any time; or
 - iii. SUBRECIPIENT does not complete the Project within the time specified in the executed Subrecipient Agreement.
- B. Unauthorized Expenditures. The SUBRECIPIENT shall reimburse the COUNTY for all unauthorized or funding-ineligible expenditures.
- C. Payment(s) in Error. The SUBRECIPIENT shall return to the COUNTY any payments made to the SUBRECIPIENT that were made in error or were in any manner fraudulent or inconsistent with the Scope of Services attached as EXHIBIT 2 or the Federal Award ("Payment(s) in Error").
- i. In the event that the SUBRECIPIENT, HUD, or any outside accountant or auditor, determines that a Payment in Error was made, the SUBRECIPIENT shall return to the COUNTY any such funds no later than ten (10) business days from when the SUBRECIPIENT became aware of such Payment in Error.
 - ii. In the event that the COUNTY discovers a Payment in Error, the COUNTY shall notify the SUBRECIPIENT and the SUBRECIPIENT shall return any associated funds to the COUNTY no later than ten (10) business days from the SUBRECIPIENT'S receipt of such notice.
- D. Federal Disallowance(s). If the Federal Government demands reimbursement from the COUNTY due to a disallowance or finding that an expense or cost for which the COUNTY provided Subaward funding to the SUBRECIPIENT was in any way improper or not in compliance with the Federal Award, the SUBRECIPIENT shall return any associated funds to the COUNTY within a reasonable time period as mutually agreed upon by the COUNTY and the SUBRECIPIENT, or within six (6) months, whichever is the earlier of the dates.
- E. Delay or Failure to Return Funds. Should the SUBRECIPIENT fail to reimburse the COUNTY for any Payment in Error or Federal Disallowance within the time designated, the COUNTY may respond with any number of the following actions:
- i. Charge an interest rate as determined by the State of Florida, Chief Financial Officer, pursuant to Chapter 55, Florida Statutes, on the amount of the overpayment, Payment in Error, Federal Disallowance, or outstanding balance thereof. Interest shall accrue from the date of the SUBRECIPIENT'S initial receipt of funds up to the date of reimbursement of said funds to the COUNTY;
 - ii. Withhold any or all future payments until the amount of such Payment in Error or Federal Disallowance has been recovered by the COUNTY;
 - iii. Terminate this Agreement;

- iv. Bar the SUBRECIPIENT from being considered when issuing future Federal Subawards or other COUNTY agreements; and
- v. Pursue any other remedies permitted by law or equity.

VIII. AMENDMENT, TERMINATION, AND DISPUTE RESOLUTION

Amendments will generally be required for the following: i) revision to the scope or objectives of the Project, including purpose or beneficiaries; ii) extension of the Period of Performance and Agreement Term; iii) revision to the total funding amount under the Agreement; or iv) expenditures on items for which applicable cost principles require prior approval (see 24 CFR 570.200(h) for pre-award/pre-agreement costs).

The COUNTY may, in its discretion, update the terms of this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such changes result in a change in the total funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both COUNTY and SUBRECIPIENT.

Changes to the Agreement that will not result in extending the Period of Performance or Agreement Term, will not increase or decrease the total award amount, or will not change the Project scope will require written administrative approval signed in writing by an authorized representative by both parties but will not require an amendment to the Agreement.

B. Suspension or Termination

The COUNTY may terminate this Agreement, in whole or in part, upon ten (10) business days' notice, whenever it determines that the SUBRECIPIENT has failed to comply with any term, condition, requirement, or provision of this Agreement. The COUNTY shall promptly notify the SUBRECIPIENT, in writing, of its determination and the reasons for the termination together with the date on which the termination shall take effect and any other notifications required under 2 CFR part 200, subpart D. Upon termination, the COUNTY retains the right to recover any improper expenditures from the SUBRECIPIENT and the SUBRECIPIENT shall return to the COUNTY any improper expenditures no later than thirty (30) days after the date of termination. The COUNTY may, at its sole discretion, allow SUBRECIPIENT to retain or be reimbursed for eligible costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this Agreement, 2 CFR Part 200, Subpart E, Cost Principles, and any other applicable state or Federal statutes, regulations or requirements.
 - vi. This Agreement may also be terminated in whole or in part by either the COUNTY or the SUBRECIPIENT upon thirty (30) days' prior written notice, or based upon agreement by both the COUNTY and the SUBRECIPIENT in accordance with the requirements in 2 CFR part 200, subpart D.
- C. Dispute resolution provisions are as follows:

In accordance with CDBG-DR regulations, SUBRECIPIENT is required to disclose all other benefits (e.g., cash, in-kind, grants, loans) received, or which will be received for the proposed Project to ensure that federal funds do not duplicate funds received from other sources. - c. If any litigation, claim, or audit is started before the expiration of the 5-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken;
- d. When the SUBRECIPIENT is notified in writing by HUD, the cognizant agency for audit as defined in 2 CFR 200.18, the oversight agency for audit as defined in 2 CFR 200.73, the cognizant agency for indirect costs as defined in 2 CFR 200.19, or the COUNTY, the SUBRECIPIENT shall extend the retention period consistent with the notification;
- e. When records are transferred to or maintained by HUD or the COUNTY, the 5-year retention requirement is not applicable to the SUBRECIPIENT;
- f. The retention period for the records pertaining to the earning of the program income (as defined in this Agreement) starts from the end of the COUNTY's fiscal year in which the program income is earned.

In addition, to the foregoing federal retention requirements, SUBRECIPIENT shall maintain records in accordance with the State of Florida records retention period as applicable.

iv. Client Data and Other Sensitive Information

If the scope of this Agreement pertains to services for the benefit of specific individuals or households, the SUBRECIPIENT shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to the COUNTY and/or monitors or their designees for review upon request.

The SUBRECIPIENT must comply with 2 CFR 200.303 and take reasonable measures to safeguard protected personally identifiable information, as defined in 2 CFR 200.1 and other information HUD or the COUNTY designates as sensitive or the SUBRECIPIENT considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality. SUBRECIPIENT shall also comply with 24 CFR 570.508, requiring SUBRECIPIENT to provide citizens with reasonable access to records regarding the past use of CDBG funds, consistent with applicable State and local laws regarding privacy and obligations of confidentiality.

G. Close-out

The SUBRECIPIENT shall closeout its use of the CDBG-DR funds and its obligations under this Agreement by complying with the closeout procedures in 2 CFR 200.344 and 2 CFR 200.345. Activities during this close-out period may include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the COUNTY), and determining the custodianship of records.

Notwithstanding the terms of 2 CFR 200.344, upon the expiration of this Agreement, the SUBRECIPIENT shall transfer to the COUNTY any CDBG-DR funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG-DR funds, further, any real property under the SUBRECIPIENT's control that was acquired or improved in whole or in part with CDBG-DR funds (including CDBG-DR funds provided to the SUBRECIPIENT in the form of a loan) shall be treated in accordance with 24 CFR 570.503(b)(7) and 88 FR 32046(V)(A).

H. Audits, Inspections, and Monitoring

i. Single Audit

The SUBRECIPIENT must be audited as required by 2 CFR part 200, subpart F when it is expected that the SUBRECIPIENT's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in §200.501 Audit requirements.

ii. Inspections and Monitoring

The SUBRECIPIENT shall permit the COUNTY and auditors to have access to the SUBRECIPIENT's records and financial statements as necessary for the COUNTY to meet the requirements of 2 CFR part 200.

The SUBRECIPIENT must submit to monitoring of its activities by the COUNTY as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of this Agreement.

Reviews or audits may include: (1) reviewing financial and performance reports required by the COUNTY; (2) following-up and ensuring that the SUBRECIPIENT takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the SUBRECIPIENT from the COUNTY detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the SUBRECIPIENT from the COUNTY as required by 2 CFR §200.521.

iii. Corrective Actions

The COUNTY may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits. The COUNTY may require the SUBRECIPIENT to take timely and appropriate action on all deficiencies pertaining to the Federal award provided to the SUBRECIPIENT from the COUNTY detected through audits, on-site reviews, and other means. In response to audit deficiencies or other findings of noncompliance with this Agreement, COUNTY may impose additional conditions on the use of the CDBG-DR funds to ensure future compliance, or provide training and technical assistance as needed to correct noncompliance.

I. Procurement and Contractor Oversight

The SUBRECIPIENT shall comply with the procurement standards in 2 CFR §200.318 - §200.327 when procuring property and services under this Agreement unless specified otherwise herein.

The SUBRECIPIENT may follow its own procurement policies, provided the policies are equal to or more stringent than and not in conflict with those found in 2 CFR 200. In the event of a conflict, 2 CFR 200 applies.

The SUBRECIPIENT shall impose the SUBRECIPIENT's obligations under this Agreement on its contractors, specifically or by reference, so that such obligations will be binding upon each of its contractors.

The SUBRECIPIENT must comply with CDBG-DR regulations regarding debarred or suspended entities at 24 CFR 570.609. CDBG-DR funds may not be provided to excluded or disqualified persons.

The SUBRECIPIENT shall maintain oversight of all activities under this Agreement and shall ensure that for any procured contract or agreement, its contractors perform according to the terms and conditions of the procured contracts or agreements, and the terms and conditions of this Agreement.

The SUBRECIPIENT shall obtain approval in writing from the COUNTY before advertising a solicitation, awarding a solicitation, executing a contract, amending an executed agreement.

J. Property Standards

Real property acquired by the SUBRECIPIENT under this Agreement shall be subject to 24 CFR 570.505, 24 CFR 570.200(j) and 24 CFR §5.109 where applicable.

The SUBRECIPIENT shall also comply with the Property Standards at 2 CFR 200.311, 2 CFR 200.312, 2 CFR 200.314 through 2 CFR 200.316. The SUBRECIPIENT shall also comply with 2 CFR 200.313 Equipment, except that when the equipment is sold, the proceeds shall be program income, and equipment not needed by the SUBRECIPIENT for activities under this Agreement shall be transferred to the COUNTY for its CDBG-DR program or may be retained after compensating the COUNTY.

K. Rights to Inventions

If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the SUBRECIPIENT wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the SUBRECIPIENT must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

L. Federal Funding Accountability and Transparency Act (FFATA)

The SUBRECIPIENT shall comply with the requirements of 2 CFR part 25 Universal Identifier and System for Award Management (SAM). The SUBRECIPIENT must have an active registration in SAM in accordance with 2 CFR part 25, appendix A, and must have a Unique Entity Identifier (UEI) number. The SUBRECIPIENT must also comply with provisions of the Federal Funding Accountability and Transparency Act, which includes requirements on executive compensation, and 2 CFR part 170 Reporting Subaward and Executive Compensation Information.

SEPARATE FFATA CERTIFICATION INCLUDED FOR SIGNATURE (EXHIBIT 4)

M. Relocation, Real Property Acquisition, and One-for-one Housing Replacement

i. General

The SUBRECIPIENT shall comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), 42 USC 4601 – 4655, 49 CFR part 24, 24 CFR part 42, and 24 CFR 570.606.

In addition to other URA requirements, these regulations (49 CFR § 24.403(d)) implement Section 414 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 USC § 5181, which provides that "Notwithstanding any other provision of law, no person otherwise eligible for any kind of replacement housing payment under the [URA] shall be denied such eligibility as a result of his being unable, because of a major disaster as determined by the President, to meet the occupancy requirements set by such Act".

ii. Waivers and Alternative Requirements

The SUBRECIPIENT shall comply with the following waivers and alternative requirements related to the URA found in 88 FR 32046.

a. Relocation by SUBRECIPIENT

SUBRECIPIENT will be required to adopt Sarasota County's Residential Anti-Displacement and Relocation Assistance Plan or establish separate optional relocation policies prior to undertaking any activity assisted with funding from CDBG-DR. The written policy must: be available to the public, describe the relocation assistance that the SUBRECIPIENT has elected to provide, and provide for equal relocation assistance within each class of displaced persons according to 24 CFR 570.606(d).

In the event of displacement because of a federally funded award, the COUNTY requires that the SUBRECIPIENT comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 et seq.) ["URA"], for any household, regardless of income, which is involuntarily and permanently displaced, and to comply with Section 104(d). Any demolition or disposition of public housing is subject to Section 18 of United States Housing Act of 1937, as amended, and 24 CFR part 970.

iii. URA Regulations

Activities and projects undertaken with CDBG-DR funds may be subject to the URA, section 104(d) of the Housing and Community Development Act (HCDA) (42 U.S.C. 5304(d)), and CDBG program requirements related to displacement, relocation, acquisition, and replacement of housing, except as modified by waivers and alternative requirements provided in FR-6368-N-01.

In such notice, HUD waived or provided alternative requirements for the purpose of

promoting the availability of decent, safe, and sanitary housing with respect to the use of CDBG-DR funds allocated under the Consolidated Notice.

iv. Section 104(d) One-for-One Replacement

Current CDBG-DR regulations waive the requirement to provide one-for-one replacement requirements at section 104(d)(2)(A)(i) and (ii) and 104(d)(3) of the HCDA and 24 CFR 42.375, for owner-occupied lower income dwelling units that are damaged by the disaster and not suitable for rehabilitation. Units which meet the COUNTY's definition of Not Suitable for Rehabilitation are exempted from the one-for-one replacement requirements. The COUNTY's definition of not suitable for rehabilitation is included in the COUNTY's CDBG-DR Action Plan and outlined below:

- a. The cost to properly "rehabilitate" the unit, to bring it to livable standards under local code and HUD property and habitability standards, exceeds 50 percent of the total current value of the property or a comparable reconstruction;
- b. The property is located in an area where environmental or other hazards place residents in undue harm as identified through an environmental review or by other means as the COUNTY determines;
- c. The structure has been condemned under local code; or
- d. The building is identified as a repetitive loss structure.

Tenant- occupied and vacant occupiable lower- income dwelling units demolished or converted to another use other than lower- income housing in connection with a CDBG-DR assisted activity are generally subject to one-for-one replacement requirements at 24 CFR 42.375 and these provisions are not waived.

v. Section 104(d) Relocation Assistance

To prevent disparities in the provision of relocation assistance associated with activities funded by HUD or FEMA, the Federal Registration notice waives relocation assistance requirements at section 104(d)(2)(A)(iii) and (B) of the HCDA and 24 CFR 42.350, to the extent that an eligible displaced person, as defined under 24 CFR 42.305, may choose to receive either assistance under the URA (49 CFR part 24), or assistance under section 104(d) (24 CFR 42.350).

This waiver does not impact a person's eligibility as a displaced person under section 104(d), it merely limits the amounts and types of relocation assistance that a section 104(d) eligible displaced person is eligible to receive. A section 104(d) eligible displaced person is eligible to receive the amounts and types of assistance for displaced persons under the URA, as may be modified by the waivers and alternative requirements in this notice for activities related to disaster recovery.

This limited waiver of the section 104(d) relocation assistance requirements assures

uniform and equitable treatment for individuals eligible to receive benefits under section 104(d) by establishing that all forms of relocation assistance to those individuals must be in the amounts and for the types of assistance provided to displaced persons under URA requirements.

a. URA Replacement Housing Payments

HUD waivers allow an agency to use tenant-based rental assistance (such as Section 8 housing choice vouchers) to meet all or a portion of its relocation assistance obligation if it also provides comparable replacement dwellings for consideration by the displaced person.

b. Voluntary Purchase for Primary Residence

49 CFR 24.101(b)(2) is waived to the extent that it applies to a homebuyer, who does not have the power of eminent domain, and uses CDBG-DR funds in connection with the voluntary purchase and occupancy of a home the homebuyer intends to make their primary residence. Tenants displaced by these voluntary acquisitions may be eligible for relocation assistance.

c. Voluntary Acquisition

The requirements of URA do not apply to acquisitions that meet all of the following conditions (49 CFR 24.101(b)(1)):

1. No specific site or property needs to be acquired, although the COUNTY may limit its search for alternative sites to a general geographic area. Where the COUNTY wishes to purchase more than one site within a general geographic area on this basis, all owners are to be treated similarly. (See appendix A, § 24.101(b)(1)(i).)
 - a. The property to be acquired is not part of an intended, planned, or designated project area where all or substantially all of the property within the area is to be acquired within specific time limits.
 - b. The Agency, as that term is defined in 49 CFR 24.2, will not acquire the property if negotiations fail to result in an amicable agreement, and the owner is so informed in writing.
 2. The Agency, as that term is defined in 49 CFR 24.2, will inform the owner in writing of what it believes to be the market value of the property. (See appendix A, § 24.101(b)(1)(iv) and (2)(ii).)
- d. Section 414 Waiver of the Robert T. Stafford Disaster Relief and Emergency Assistance Act

Section 414 of the Stafford Act is waived to the extent that it would apply to real property acquisition, rehabilitation, or demolition of real property for a CDBG-DR funded project, undertaken by COUNTY or its SUBRECIPIENT, that began more than one (1) year after the Presidentially declared disaster, provided that the project was not planned, approved, or otherwise underway prior to the disaster. SUBRECIPIENT understands that the program commencement date is the earliest of:

1. The date of an approved Release for Request of Funds (RROF) and certification, or
2. the date of completion of the site-specific review when a program utilizes tiered environmental reviews, or
3. the date of sign-off by the approving official when a project converts to exempt under 24 CFR 58.34(a)(12).

The SUBRECIPIENT will ensure that this waiver does not apply to persons that meet the occupancy requirements to receive a replacement housing payment under the URA nor does it apply to persons displaced or relocated temporarily by other HUD- funded programs or projects. The SUBRECIPIENT will ensure that such persons' eligibility for relocation assistance and payments under the URA is not impacted by this waiver.

N. Nondiscrimination

i. 24 CFR part 6

The SUBRECIPIENT will comply with 24 CFR part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance.

The SUBRECIPIENT will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-DR funds. Thus, the SUBRECIPIENT shall comply with regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs.

ii. Architectural Barriers Act and the Americans with Disabilities Act

The SUBRECIPIENT shall ensure that its activities are consistent with requirements of

Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 CFR 40.2 or the definition of “building” as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The SUBRECIPIENT shall comply with the laws, regulations, and executive orders referenced in 24 CFR 570.607 regarding employment and contracting to the extent they are applicable.

iii. Title VI of the Civil Rights Act of 1964 (24 CFR part 1)

a. General Compliance:

The SUBRECIPIENT shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352), as amended 24 CFR 570.601 and 570.602. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The SUBRECIPIENT shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he or she has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 CFR part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 CFR part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

b. Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the SUBRECIPIENT assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to 24 CFR part 1.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the SUBRECIPIENT's assurance herein shall obligate the SUBRECIPIENT or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the SUBRECIPIENT for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the COUNTY and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to the SUBRECIPIENT under this Agreement, the instrument effecting any disposition by the SUBRECIPIENT of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the SUBRECIPIENT receives real property interests or funds for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

iv. Affirmative Action

a. Approved Plan

As applicable, SUBRECIPIENT agrees that it shall carry out an Affirmative Action Program to the extent required by federal law, guidelines, rules, or regulations.

b. Women- and Minority-Owned Businesses (W/MBE)

The SUBRECIPIENT shall take the affirmative steps listed in 2 CFR 200.321(b)(1) through (6) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible, when the SUBRECIPIENT procures property or services under this Agreement.

(a) When possible, the SUBRECIPIENT should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below.

(b) Such consideration means:

- (1) These business types are included on solicitation lists;
- (2) These business types are solicited whenever they are deemed eligible as potential sources;
- (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types;
- (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types;
- (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (6) Requiring a contractor under a Federal award to apply this section to subcontracts.

c. Notifications

The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the SUBRECIPIENT's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The SUBRECIPIENT shall, in all solicitations or advertisements for employees placed by or on behalf of the SUBRECIPIENT, state that it is an Equal Opportunity or Affirmative Action employer.

O. Labor and Employment

i. Labor Standards – Davis Bacon and Related Acts

The SUBRECIPIENT shall comply with the labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended and ensure that all laborers and

mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this Agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis- Bacon Act, as amended (40 U.S.C. 3141, et seq.), and 29 CFR part 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

The SUBRECIPIENT agrees to comply with the Copeland Anti- Kick Back Act (18 U.S.C. 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. The SUBRECIPIENT shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to the COUNTY for review upon request and reviewed for compliance with applicable provisions.

P. Section 3 of the Housing and Urban Development Act of 1968

ii. Compliance

The SUBRECIPIENT shall comply with the provisions of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 USC 1701u, and its implementing regulations at 24 CFR part 75.

The SUBRECIPIENT shall include the “Section 3 clause” at 24 CFR 75.19 in every “Section 3 covered contract” (as defined in 24 CFR 75.5).

Q. Conduct

i. Hatch Act

The SUBRECIPIENT shall comply with the Hatch Act, 5 USC 1501 – 1508, and shall ensure that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

ii. Conflict of Interest

In the procurement of supplies, equipment, construction, and services pursuant to this Agreement, the SUBRECIPIENT shall comply with the conflict of interest provisions in 2 CFR 200.317 and 200.318. In all cases not governed by 2 CFR 200.317 and 200.318, the SUBRECIPIENT shall comply with the conflict of interest provisions in 24 CFR 570.611.

iii. Lobbying Certification

The SUBRECIPIENT hereby certifies that:

- a. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;
- c. It shall require that the language of paragraph (a) through (d) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subawardees at all tiers shall certify and disclose accordingly; and
- d. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is required by 31 U.S.C 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

SEPARATE LOBBYING FORM INCLUDED FOR SIGNATURE (EXHIBIT 5)

iv. **Government-Wide Debarment and Suspension**

The SUBRECIPIENT shall comply and facilitate compliance with U.S. Housing and Urban Development regulations, "Non-procurement Suspension and Debarment," 2 C.F.R. part 2424 which adopts and supplements the Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement)," 2 C.F.R. 180. These provisions apply to each contract at any tier of \$25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount). As such, the SUBRECIPIENT shall verify by reviewing the SAM at <https://www.sam.gov>, if necessary, that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

- a. Debarred from participation in any federally assisted Award;

- b. Suspended from participation in any federally assisted Award;
- c. Proposed for debarment from participation in any federally assisted Award;
- d. Declared ineligible to participate in any federally assisted Award;
- e. Voluntarily excluded from participation in any federally assisted Award; or
- f. Disqualified from participation in any federally assisted Award.

The certification in this clause is a material representation of fact relied upon by the COUNTY. If it is later determined by the COUNTY that the SUBRECIPIENT knowingly rendered an erroneous certification, in addition to remedies available to the COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The SUBRECIPIENT agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 2424, while this offer is valid and throughout the period of any contract that may arise from this offer. The SUBRECIPIENT further agrees to include a provision requiring such compliance in its lower tier covered transactions.

SUBRECIPIENT is subject to the nonprocurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, as well as 2 CFR part 180. The regulations in 2 CFR part 180 restrict making Federal awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from receiving or participating in Federal awards.

SEPARATE DEBARMENT FORM INCLUDED FOR SIGNATURE (EXHIBIT 6)

R. Religious Activities

The SUBRECIPIENT agrees that funds provided under this Agreement shall not be utilized for inherently religious activities prohibited by 24 CFR 5.109, such as worship, religious instruction, or proselytization.

S. Environmental Conditions

i. Prohibition on Choice Limiting Activities Prior to Environmental Review

- a. Pursuant to 24 CFR Part 50 and 58, Environmental and historic preservation compliance reviews must be completed before any work can begin on a project. CDBG-DR appropriation acts prohibit HUD from waiving these requirements.
 - 1. It is the responsibility of COUNTY to facilitate Environmental Reviews.
 - 2. In the event an Environmental Review concludes site conditions are deemed unacceptable, the award will be rescinded and this Agreement will be terminated as specified herein. "Unacceptable" sites include, without limitation, those

containing an immitigable environmental factor that may adversely affect the health and safety of the residents.

- b. No choice-limiting actions shall be performed on the project until environmental clearance is received, and a Notice to Proceed is issued.
 - 1. “Choice-limiting actions” are defined as any activity that would have an adverse environmental impact or limit the choice of reasonable alternatives, such as acquisition, construction, demolition of buildings, or rehabilitation or reconstruction of buildings.
 - 2. Market studies, environmental studies, plan development, engineering or design costs, inspections and tests are not considered “choice-limiting” actions.

Pursuant to 24 CFR Part 58.22, failure to comply with the prohibition against committing funds or taking physical action (using either HUD funds or non-HUD funds) before the completion of the Environmental Review process could result in loss of HUD assistance, cancellation of the Project, reimbursement by the developer/owner to the COUNTY for the amount expended, or suspension of the disbursement of funds for the affected activity.

ii. Air and Water

The SUBRECIPIENT shall comply with the following requirements insofar as they apply to the performance of this Agreement:
